ABOUT US

R & C Co. Limited. is a well-established 100% Export Oriented leather finished goods Manufacturer & Exporter from Bangladesh Chittagong Export Processing Zone. We have established this factory very recently. Our management and production teams have more than 10 years of experience in producing all kinds of leather finished goods from many Asian countries in the past and are now stationed in Bangladesh. We have focused on quality and timing management services to meet our worldwide customers' standards. Our competitive pricing would build up a long-term business relationship with potential growth for both parties.

VISION

Our vision is to mature into a highly reputed manufacturer of leather goods in the international market by producing the top-quality product which conforms and surpasses customer expectation.

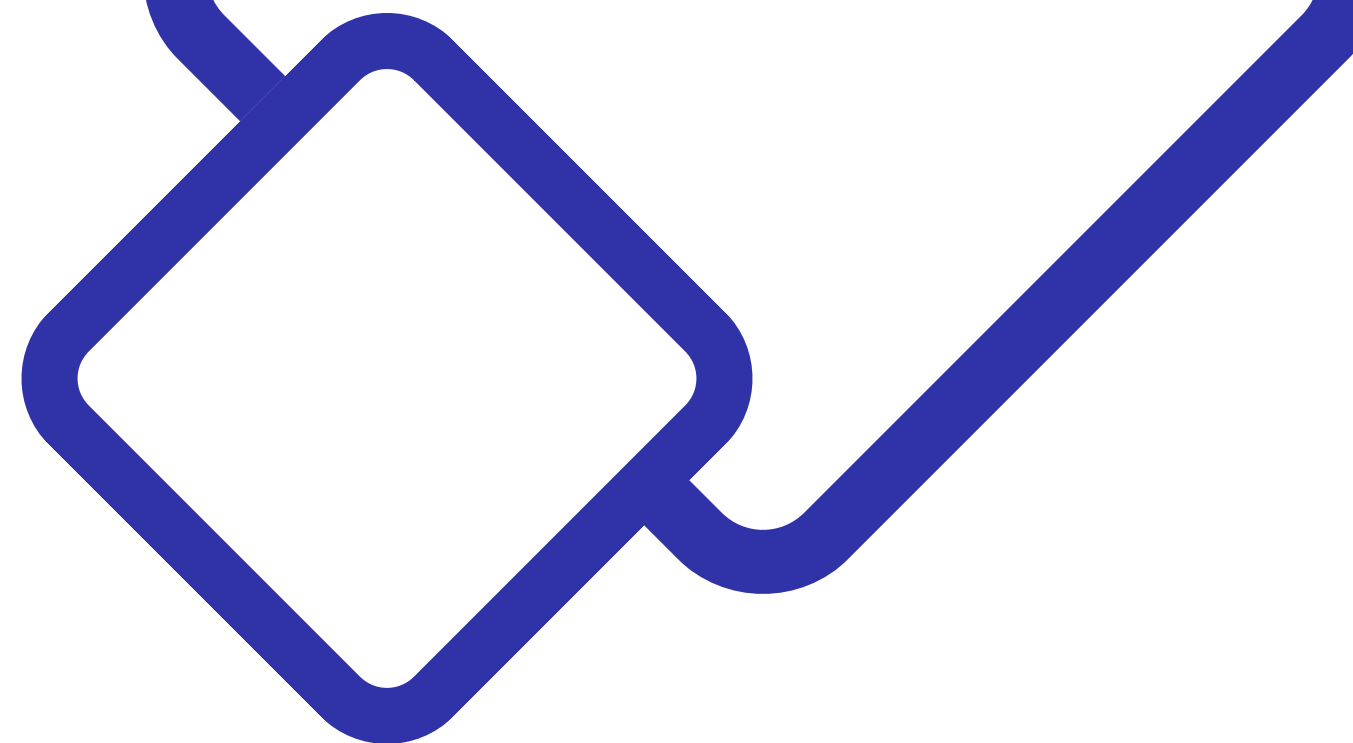

MISSION

our mission is to become one of the leading leather goods manufacturers in the world in every aspect of its business and in delivering its obligations as a good corporate citizen to its customer, employees, owners, public and to the environment

OUR TEAM

R&C has a strong production team with around 500+ workers. With skilled product development experts, Chinese production managers team and an efficient management team.
